Part I takes up eight measures while Part II takes up five measures. The music is in four measure phrases; therefore, the dance is only concordant with the music at the metric level. However, the dance and music do become concordant at the Phrase level of music after four repetitions of the dance.

Meas. 1-8 are done rather flat-footed in an easy relaxed way. Meas. 9-10 are danced on the ball of the foot. Meas. 11-13 are again flat-footed (as an even slike).
