3-4	Partners turn inwardly, join inside hands (ML, WR), and move bwd (still moving CCW) with two waltz steps, beginning ML, WR.
	II. <i>Waltz Around and Backward</i>
5-6	Partners face each other, join R hands at shoulder height, turn once around with two waltz steps. M finishes step facing fwd (CCW). W takes an extra half turn to finish in original position beside M. Join inside hands as in beginning step.
