## LILJANO, MOME UBAVO Macedonia

This dance is the same type as Zensko Krsteno or Postupano, which originated in the Vardar valley, near Skopje. It is done on any occasion for celebration; weddings, slavs, birthdays, etc. May be danced to many different tunes, either with orchestration or sung by the dancers themselves. The title means "Liljana, Fair young girl" and the words of the song are addressed to her.

RECORD: AK-006 (LP) or Folkraft 155 (45)

FORMATION: Lines with hands joined in "W" pos. Knees should be flexible throughout to achieve the plie effect.
