SHEIKHAN-EESHKHAN

Armenian-Assyrian

Source: Tom Bozigian learned variations #1-3 during the 1950's at summer Armenian picnics in Fresno, Ca. home of one of the largest populations of Armenians outside of the homeland. Within the San Joaquin Valley, especially Turlock, live also a large community of Assyrians, an ancient Semitic group of people who share a common religion and history with Armenians. Eeshkhan is the same word in Armenian meaning prince
