R, swing L across to touch floor; Turn away from
partner one complete turn (ML face, WR) with 3 steps
L, R, L, swing R across toward LOD.

3-4 Repeat meas. 1-2 RLOD, M starts R.

5-6 Repeat Meas 1-2 except M does not turn as in meas 2
doing step L, close R, step L, close R. W turns
substituting a close (L) for swing.

7-8 Closed Position 4 two-steps turning CW. M leads L
(W R)

*123 Steps
Backwards*

Note: This dance bears no resemblance to the original English
form, not it's Texas, Colorado, or California derivatives,
none of which have been danced in this area until recently.
But it has been on the program by this name at almost every
old time dance for many years, so, in the North West,
BOSTON TWO-STEP it is.

Recommended by the Teachers and Callers Association in
Seattle.
