

1975 SAN DIEGO STATE UNIVERSITY FOLK DANCE CONFERENCE

Presented by Louise & Germain Hébert

~~///~~ BOURRÉE D'OULCHES France-Lower-Berry

This variation of Bourrée croisée was found by Pierre Panis near the village of Oulches. It was first introduced at U.O.P. in 1965. It was part of a medley of bourrée croisées. We will use it as a refresher.
