La Encantada Tango

La Encantada Tango was arranged by Ned and Marian Gault and presented by them at the 1963 University of the Pacific Folk Dance Camp. It is based on American Ballroom Tango.

MUSIC: National N-4572 (45); National N-457A (45); Decca 9-54105 "Rio Negro" (45); CD, Gaults at Statewide, "La Encantada"

FORMATION: Cpls in a circle, in Open Pos*, facing LOD (CCW).

STEPS: Grapevine*.

Semi-open Pos: (SOP) Similar to Closed Pos* except ptrs are turned 1/8 twd the joined hands (ML,WR); MR and WL hips are adjacent.

Pivot: A smooth CW turn in Closed Pos using two steps for one full turn. Dancers progress LOD while turning.

Tango Close: Step L fwd (ct 1); step on R ft to R, M leading W to Closed Pos (ct &); draw L ft (no wt) to R instep (ct 2). Timing is quick, quick, slow.

Flare: A swing of the ft, usually pivoting on the supporting ft, with the other ft held out and moved with a circular motion.

<u>Corté</u>; A dip in Closed Pos. <u>M</u> step bkwd on L with knee bent and toe turned out, keeping R ft on the floor; <u>W</u> step fwd on R, knee bent, keeping L ft on the floor and L knee straight. Each keeps back straight.

<u>Backbend</u>: From a corté, then... M twist body to L, turning W to face ceiling. MR, WL ft remain on the floor. Note: M must turn L knee out to support W.

Rock: Shift of wt to one ft while keeping other ft in place.

STYLING: All steps are smooth and gliding (no bounce). Steps are described for the M; W use opp ftwk unless otherwise noted.
