

# Pravo Oro

*macedonian*

## History

Balkan dance, widespread throughout South-East Europe.

## Rhythm

This dance has an even rhythm, every step or touch takes one beat.

## Steps

Start in a W hold in a line, facing right of centre.

Take three steps forward, starting with the right, then turn to face centre and touch the left foot slightly in front. Step to the side with the left foot and touch the right foot slightly in front.

The dance begins at the start of any musical phrase.

## Music

**Lute Lute** from **Fire in the Feet** by Xenos.
