

SAN JOAQUIN JAYWALKER

First and third bow and swing
Lead right out to the right of the ring
Split that couple you're not through yet
Swing who you meet at the head of the set
Now side couples bow and swing
You lead right out to the R of the ring
Split that couple you're not through yet
Swing who you meet at the side of the set
Now allemande left, four ladies chain
Three quarters round and meet your own
It's a do-pas-o and don't you roam
That's partner left, corner right,
Partner left and promenade home.
