intermediate

RECORD: Purple Thistle, TH-101

TYPE: Line of 4 couples, men on left.

INTRODUCTION: 1 chord.

NOTE: Dance is repeated until each couple has been head couple.

A. Head and foot couples change places with partner using 2 polkas, R hand across. At same time center 2 couples form R-hand star, 2 polkas, until each person is diagonally across star. All give L hand to corner (in the line), 2 polkas to change places.

REPEAT PATTERN, with couples at each end crossing over and center 2 couples starring, until back to original places.

B. Head and 2nd couple: balance R, balance L, facing person diagonally across. Head couple take 2 polkas diagonally across to that person's place, while 2nd couple do 2 polkas up the line.

Head couple repeat with 3rd couple, then with 4th couple.

C. 2nd, 3rd and 4th couple join hands along the line and go fwd, bow, back, while head couple does 2 polkas across, giving partner R hand.

REPEAT DANCE WITH NEW HEAD COUPLE.
