

VIENNA TWO STEPVienna Two-Step

England - Old Time Dance

- NOTE: Verified with Standardization Committee of Old Time Dance Society in England. First introduced in U.S.A. at Community Folk Dance Center by Michael Herman in September, 1950.
- RECORD: Progressive Two Step, London 734; Gaare 103, rorever rolka. National N-4528
- FORMATION: Circle of Couples in varsouvienne position.
- PART 1: Starting on left foot, both walk forward 4 steps, then backward 4 steps. Pas de basque lightly to left, then to right. Step on left foot at the same time swinging right foot over it. Take a quick two-step diagonally forward to right, leading with right foot.
- Part 2: heel and toe and a two-step starting with left foot. Repeat with right foot. In this part move sideward rather than forward but do not change places.
- Part 3: Four two-steps forward, man moving forward to woman ahead on the last two two-steps.
