

Walc (game) Waltz (party) game

Circle moves CCW waltzing ^{slowly} while man in center chooses a girl + bows to her + offers his hand for a dance. She breaks out of circle + he chases after her. The circle attempts to help her escape by letting her in + out + keeping man on opposite side. When he catches her, he dances with her for a while + then a new man begins the dance over. When man is dancing with girl, circle moves CW waltzing quickly.
Can be done to: Szea Dziweczka

Ada Dziwanowska
Tefas Camp 75

The dance is performed from the beginning only during recess. If everybody chooses a different partner, it is called a "party" and is performed after recess. If everybody chooses a repeat partner, it is called a "game" and is performed during the game time.

Dance time is from 1:00 to 1:30. If there is a party, it is performed after recess. If there is a game, it is performed during the game time. The dance is performed from the beginning only during recess. If everybody chooses a different partner, it is called a "party" and is performed after recess. If everybody chooses a repeat partner, it is called a "game" and is performed during the game time.
